REMARKABLE—GEO. M. SNOOK & CO.

REMARKABLE!
EXTRAORDINARY!

WO words that we seldom use, and then only upon occasions that JUSTIFY their use. They are used this time in connection with a big purchase of DRESS GOODS that is as plainly remarkable as it is clearly extraordinary, and as clearly extraordinary as it is plainly remarkable.

A PURCHASE that places us in a position to offer a solid case of Havana Brown, Navy, Myrtle and Back, 38-inch wide, fine all-wool, plain weave Dress Goods at

57c

per yard that have never retailed below \$1.

A PURCHASE that enables us to make prices, way-down prices low, on several other first-class lines of both rough and smooth weave Dress Goods—prices that a few months ago we would have considered highly improbable, well nigh impossible.

THEREFORE, be quick to take advantage of these decidedly desirable Dress Goods offers, as we expect to do some rapid selling all along the line of our seven Dress Goods counters.

St. Francis's Day.

At the St. Alphonsus church yesterday was observed as St. Francis's day. At 8:30 a. m. high mass was celebrated by Rev. Father Peter, with Rev. Father Didakus as deacon and Rev. Father Leo as sub-deacon. Rev. Father Mauritus preached the sermon. There was a large attendance.

Mozart's Opening.

Arrangements are being completed for the opening of Mozart Park, the new resort on the South Side. It is in the hands of the Mozart Singing Society, and it is expected that an immense crowd will be present at the opening. The cars have not arrived, otherwise the incline railway is about ready for operation.

At Clerk Hook's Office.

Clerk Hook yesterday admitted to record a deed made September 19, by Charles H. Copp to Nicholas Michel-felder, for \$625, lots 43, 44, 45 and 46 in Copp's addition to Edgington.

A marriage license was issued to Charles A. Arrick, aged 22, of Belmont county, Ohio, and Mary L. Bach, aged 22, a native of Switzerland and resident of Wheeling.

The Contracts Let.

The contracts for the building of the new Capuchin monastery adjoining St. Alphonsus church have been let. John Emineth got the contract for the stone work, and the excavation will begin to-day. Karges Brothers got the carpenter work, J. A. Bodley the brick work, D. C. Kurner the painting and H. Stoetzer the plastering. The plumbing contract has not yet been awarded.

Funeral of E. F. Jackson.

Yesterday afternoon the funeral of Mr. E. F. Jackson, late an employee at the Whitaker mill took place, the interment being at the Peninsular cemetery. The funeral was quite largely attended. It was attended by the Amalgamated Association, of which the deceased was a member, Junior Order American Mechanics and Knights of the Golden Eagle. The funeral cortege was headed by Mayer's band.

Upchurch Lodge Meeting.

The regular weekly meeting of Upchurch Lodge No. 20, A. O. U. W., was held last evening at the lodge-rooms in Odd Fellows hall. The usual full attendance of members and visitors contributed to a very entertaining and instructive meeting. Though this lodge has but recently been instituted, the membership is already large and growing rapidly. The coming celebration of the quarter centennial of the order is exciting greatest interest among the fraternity and Upchurch may be counted as ready to do her part on the 27th of this month.

Saved his Life and Locked him up.

Last evening Henry Bellinger was walking on the Baltimore & Ohio track on the South Side, when an engine approached. Bellinger was drunk, and too stupid to get out of the way. Fortunately Officers Moran and Trischler saw the man's danger and got him off the track just in time to keep him from being struck by the engine, which was approaching in such a way that the engineer could not see Bellinger until it was too late to stop. Moran took the man home, but his family requested the officer to lock him up, which was done. Bellinger was released from the work-house only last week after serving thirty days on a charge of plain drunk, the same to which he will answer this morning.

Don't Be Left.

One who hasn't seen the World's Fair won't be "in it" after the show is over. The INTELLIGENCER makes the way easy.

NO STRIKE EXPECTED.

Details of the Report from Connellsville Yesterday.

Wheeling employees of the B. & O. company say they do not know any reason to apprehend a strike, as was reported from Connellsville and printed yesterday, and a telegram from Pittsburgh received last night says that the Baltimore & Ohio officials there deny that there will be any strike on the Pittsburgh division over the 7 1/2 per cent reduction. They have not received any notice, but Superintendent Cutler is under the impression that the reduction will be accepted.

The reduction has affected all employees alike, and the local Baltimore & Ohio officials say it has not been objected to, so far as trainmen on the Pittsburgh & Connellsville division are concerned.

All trains are now operating regularly, and the dispatchers have no notice that there will be any sudden change in the operation of the schedule.

BIG OIL DEAL.

Ludwig & Mooney Sell a Half Interest at Good Figures.

The Eastern Oil Company, of Buffalo, N. Y., yesterday completed a deal by which they became half owners of the immense producing interests of Ludwig & Mooney, in the Sistersville oil field, according to a telegram from there received by the INTELLIGENCER last night. Ludwig & Mooney were the pioneers in the field, and now have a daily production of over 5,000 barrels. Some time ago they refused \$700,000 for their entire interests, and it is believed the half sold for nearly half a million.

That Joyful Feeling

With the exhilarating sense of renewed health and strength and internal cleanliness, which follows the use of Syrup of Figs, is unknown to the few who have not progressed beyond the old-time medicines and the cheap substitutes sometimes offered, but never accepted by the well informed.

SEVERAL persons have come to me with ill-fitting glasses, claiming to have been fitted by other parties, under my methods and instructions. I wish to say to the public that I have never instructed any one in my method of examining the eye and fitting glasses.

THE YOUNGSTERS—THE HUB CLOTHIERS.

The Youngsters
AT THE HUB.

From oldest to youngest, we have a special care for the boys and their wearables. If there's anywhere that quality has to stand on its own bottom, it's in Children's clothes. But we've solved the problem at the popular price, and now there's scarcely a family in town who is not enthusiastic over our \$5 Suits. Our trustable values begin way below that, so by the time you reach the \$5 grade they have ripened into rich effects. The Boys watch out for looks, the Mothers for wear, WE FOR BOTH, and so we please both. There are hundreds of Single and Double-Breasted, Short Pants Suits in our \$5 grade, most as many at this one price as fill other stores at all prices. Ours are stoutly made. The kind we sell are the lasting sort. The patterns are mated to the years that are to wear them; the last stitch is as securely and carefully taken as the first; they are trimmed tastefully and durable. Take the BESSEMER SUITS that's one of the \$5 variety. It's double in seat and knee. It doesn't seem as if the most careless wear could work its ruin; and that's the sort the whole line is made up of—firm and flawless. If you want to make a comparison, put them beside the offering at \$6 and \$7 elsewhere. In other words, we save you a dollar or two on every \$5 suit.
